Science Group & To Meet in N. J. On Youth Plan

WASHINGTON, June 18 mittee formed to interest more young people in the scientific and engineering fields, has scheduled its second meeting for West Orange N. J., on Thursday.

Dr. Howard L. Bevis, chairman of the National Committee for the Development of Scientists and Engineers, and president of Ohio State University, said the group will meet at the Thomas Alva Edison Foundation headquarters

Among the speakers will be Clifford Furnas, assistant Secretary of Defense, and Herbert Scoville Jr., assistant director of the Central Intelligence Agency.
